

LED COURTESY LIGHTS

SCM-CL

• 26,000 mCD

► DESCRIPTION

The Shadow-Caster® Courtesy Light is an innovative solution for lighting accent areas and hatches of your vessel. Beautifully light your boat's steps, coves, shelves and compartments with our high efficiency LED Courtesy Lights. Available with either impact resistant ABS snap on cover or polished stainless steel housing. There are a range of single and multi-color versions available.

FEATURES

- Low glare design shines light downward from side emitting housing
- Single and multi-color versions available
- Low current draw LED lighting
- IP67 design makes light suitable for baitwells
- Available in polished stainless steel or ABS which includes white and black covers
- Low profile design blends with interior
